

ASK US ABOUT MIRADRY!

PERMANENTLY REDUCE UNDERARM SWEAT & ODOR

miraDry is the first and only FDA-cleared treatment that dramatically reduces underarm sweat by addressing the root cause of excessive sweat and its accompanying odor - not the symptoms.

Permanent

Immediate

Non-Invasive

Patient results and experience may vary. The miraDry system is FDA-cleared for the treatment of unwanted underarm sweat and odor, as well as the permanent removal of unwanted underarm hair. Outside the U.S., the miraDry system is intended for use by health care professionals for treatment of primary axillary hyperhidrosis in adults.
